<p>Summary of Content: Geared towards the intermediate or advanced student, this book covers all there is to know about French verbs, starting with the definitions and the morphologies of French verbs that determine the various groups and types of verbs. The book uses verb charts and commented examples to help students better understand the stem of the verb as well as its suffixes with respect to the different tenses and modes. The book also explains the simple and complex forms, the active and passive voices and the agreement of the past participle for the various types of verbs. Finally, it discusses the way in which the verb interacts with the other components of the sentence such as the subject(s), the complement(s) and the adverb(s). This resource is to be used as a reference tool to learn or review French conjugation at the intermediate or advanced level.</p>	
Level: Basic User (level 2) to Independent User (level 1, 2): A2, B1, B2
