**Summary of Content:** A communicative approach to teaching written and spoken French providing 70-90 hours of study. The textbooks with 2 CDs are made up of nine units (level 1 and 2) or twelve units (level 3) organized around themes and associated communicative goals. The method incorporates many different real life situations to promote real communicative skills. Students may require assistance from the French instructor to understand the directions for the activities, as well as the texts and the recorded material contained on the CD. The exercise book with answer keys and a CD provide additional written and oral practice. The pedagogical guide provides teaching suggestions, answer keys to the textbook exercises and the transcription of the recorded material. A DVD and pedagogical booklet supplement the lessons for level 1 and 2.
