<p>Summary of Content: Students who have already been familiarized with basic French grammar concepts will benefit from this manual's in-depth explanations of these rules. Students' understanding of French grammar will be elevated and strengthened by the book's thorough approach, which incorporates material that may have been previously overlooked, such as "le discours indirect, le gérondif, et le participe présent." The practice exercises provided for each lesson help students master material learnt in class. This book is recommended for the intermediate level students as well as the advanced students who wish to brush up on the rules. The self-taught students already comfortably conversant in French will also find this book helpful. Answer keys to the exercises are provided in a separate booklet.</p>	
<p>Level: Independent User (level 2): B2</p>	
<p>Public: FLE learners, adults and young adults</p>	
<p>Teaching suggestions: Useful resource to complement the High Intermediate or Advanced Language or Grammar course. Covers materials contained in Connexions 2 and 3. Also useful to individual students who want extra practice using a manual written entirely in French.</p>
