Summary of Content: This grammar manual is geared towards Beginner students. Since the instructions and explanations are all in French, it is more appropriate for beginner students studying in a class setting or for “faux-beginners” with sufficient language skills to understand in French the grammar rules and the vocabulary contained in the examples and exercises. The manual teaches all the French basic grammar one needs to know, from nouns, articles, verbs, adjectives, pronouns, and prepositions to sentence construction. Every lesson contains on the left page the explanations of the grammar rules with examples in French and on the right page application exercises and communication activities. Each lesson ends with a summary section containing “des exercices de récapitulation » and « des bilans » to help students review the content and evaluate their skills. Tables of conjugation are provided at the end of the book. Answer keys to the exercises are provided in a separate booklet.

Level: Basic User (level 1, 2): A1, A2

Public: : FLE learners, adults and young adults with limited knowledge of French

Teaching suggestions: Useful resource to supplement teaching material in the Language or Grammar course at the beginner level. It covers materials contained

in Connexions 1. Self-taught students who are complete beginners will require assistance to understand the grammar rules and the vocabulary.
