Summary of Content: The Complete French Learning Suite provides multiple applications to cover diverse modes of language learning. It allows you to watch videos and rehearse dialogues, to practice listening and speaking and get feedback as in a language lab, to test yourself in all four skills (listening/speaking/reading/writing), to play games, to build your own list of vocabulary and to install your favorite multi-media “titles.” The basic course is divided into 12 lessons for the beginner learner. The program offers a detailed electronic Help guide to help the learners navigate the many features of the program.

Level: Basic User (level 1): A1 and up

Public: FLE learners with no or little knowledge of French

Teaching suggestions: Could be recommended as homework practice to beginner students familiar with the CD-ROM format. Covers materials included in Connexions 1.
