A corner of France in San Francisco

About the Alliance Française de San Francisco

Founded in 1884, the Alliance Française de San Francisco is the official center of French language and culture in San Francisco. It is one of the 1,085 Alliances that have been established in over 138 countries worldwide. This guarantees a reliable and professional approach.

Our courses

We continue to expand and adapt our courses according to our students' needs, interests and schedules. We offer dynamic and engaging courses for students of all levels and complement language instruction with cultural, current, historic, and professional aspects of the language.

Our faculty

All our instructors are qualified professionals and native French speakers. Our special subject courses (which include business, history, literature, etc.), are taught by experts in the respective fields. All of our instructors attend professional development sessions to keep up with the most effective teaching methods.

Placement tests (for non-beginner students)

New non-beginner students are invited to take a free placement test, at the Alliance or online, to determine which of our classes would be appropriate for their level and objectives.

Free Learning Assistance Sessions

Alliance students enrolled in any 3 hours/week class, who have specific grammar or vocabulary questions, can schedule a free learning assistance session with an Alliance instructor by contacting us at afsf@afsf.com (Mondays or Fridays, between 1:00pm and 2:30pm).
